Valour Babies!

This year so far, we have had 13 babies (4 girls, 9 boys) born to parents staying at Valour Place. **Four of these families** stayed at Valour Place for a total of **248 nights** while their babies were in the NICU. We are happy to share that all families have returned home, healthy and thriving! Congrats to all the Valour baby families.

New updates to the house

Thank you to all of you who purchased 50/50 tickets, as we now have a double fridge & freezer! We also updated our blinds and now have a luggage cart for guests to use. All of this is possible with the generous support of numerous Alberta Legions and their poppy funds. It is only through your support that we can continue to provide a comfortable and safe home away from home.

Our Volunteers Rock!

A huge **THANK YOU** to all the volunteers who came out to various activities this summer.

Volunteers helped with the summer setup, worked the Canada Day race, helped with litter pickup, and volunteered at golf tournaments.
